Re: Everett Smelter Site -As-Built Report 2004
Ecology Enforcement Order #02TCPNR-4059

Dear Dave:

Asarco is submitting two copies the above referenced document to Ecology. One set is a signed original which is for Ecology's central file. Two CD's with the electronic files are also enclosed.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "David K. Nation".
